

2019 Great Kiwi English, Mathematics and Science Competitions

Dear Parents and Caregivers

The University of Canterbury is offering your child the opportunity to participate in the Great KIWI English, Mathematics and Science competitions. These competitions take place annually and are designed by New Zealand teachers for New Zealand students based on the New Zealand Curriculum. For further information, please consult the CEM website www.cem.canterbury.ac.nz

The competitions are open to all Year 5-10 students in English, Mathematics and Science. Students can enter in one or more subjects. The competition provides teachers, parents and students with an independent, comprehensive record of a student's performance in key school subjects. The supervised online tests will take place in the last 3 weeks of Term 2 and the first week of Term 3.

All participating students will receive a certificate and prizes will be awarded to top students.

Entries are administered by the school. For further information, please consult the CEM website www.cem.canterbury.ac.nz
