Year 7 & 8 'Well Child' Immunisation Information

An education session will be held at school by the Public Health Nurse on Monday 14th February. If you do not want your child to attend this session please contact the school office ASAP on 07 889 6629.

Please note this is part of the Well Child immunisation schedule, nothing to do with Covid-19 vaccinations.

All students will be given a consent form which parents need to complete regardless of whether you are giving consent or not.

All consent forms must be returned to school.

If parents would like more information please contact Public Health Nurse Keren Johnston on 07 838 3565.
