Intermediate School

Kia U Ki Te Pai Whatever You Do, Let It Be Your Best

16th February 2022

Kia ora,

The health and wellbeing of our children, staff and community is a top priority.

We're sending this letter to inform you that there is a confirmed case of COVID-19 in our community. However, the student has not been in attendance this week. In consultation with the Ministry of Education it is deemed that there are no close contacts.

Therefore, school continues to be open as usual for the rest of our students.

What you need to do:

- You and your whānau should watch for symptoms
- If any develop, get tested immediately
- Then, stay at home until you receive the result
- If your whānau hasn't been vaccinated, we encourage you to do so as soon as possible. You can book online at bookmyvaccine.nz or by calling 0800 28 29 26. It is free.

What we're doing:

- Morrinsville Intermediate School will stay open
- We have appropriate public health measures and cleaning procedures in place

Symptoms of COVID-19

- A new or worsening cough
- Sneezing and runny nose
- A fever
- Temporary loss of smell or altered sense of taste
- Sore throat
- Shortness of breath

Less common symptoms include diarrhoea, headache, muscle aches, nausea, vomiting, malaise, chest pain, abdominal pain, joint pain, or confusion/irritability.

For more information, go to
