2022 School Camp – Lakewood Lodge

This newsletter is to provide information to families about school camp which will be held team-by-team during Term Four of this year. On the reverse side of this newsletter is information regarding school camp including dates, the cost involved and permission. At Morrinsville Intermediate we take students to camp every 2nd year; this year we are going to Lakewood Lodge (Adventure Farm Specialists) near Huntly which is the camp we have attended since 2010. All students involved in the past had a fantastic time. Go to www.lakewoodlodge.co.nz for more information.

Although our BOT has opted into the MOE School Donations Scheme this year, families are still required to pay camp fees in full for their child to attend. This is because camp is an extra-curricular, optional event. It is important to realise that for planning purposes we require a commitment to camp from you by way a deposit of \$100 which is due by 8th April, 2022 to confirm your child's attendance at camp.

Although camp is not until Term Four, we want families to have plenty of time to prepare. Parents who would like to pay camp fees off are very welcome to pay by direct credit, eftpos, visa, or cash.

School camps provide excellent opportunities for students to develop and strengthen key competencies through leadership skills, team building and independence. Students also learn new skills including managing safety in outdoor activities and showing commitment and courage to meeting new personal challenges. Students also come home from camp with a wider circle of friends.

Activities at this camp include horse trekking, kayaking, 11 metre climbing wall, low ropes course, archery, Team Challenge, water sliding, volleyball, pool and table tennis competition, team tug of war, feeding the animals, orienteering, eeling, burma trail, spotlight, disco and the 24 hour survival experience.
