Dear Parents / Caregivers,

This newsletter is to inform you that we are now seeking parent helpers for our Lakewood Lodge Camps. We will need a ratio of one adult to every 10 students.

We also require tents for 34 students and adults for the 24-hour survival experience.

We would like to make it very clear about the criteria for selecting parent helpers:

1. We cannot go on camp without parental help. This return slip is not a guarantee that you are going on camp because we have to consider male / female balance, specific needs of some students and sleeping arrangements for the adults.
2. Each parent will be required to sleep out one night in a tent for a 24-hour survival experience. The other two nights are at the lodge.
3. We have parent expectations which involve:
 - a) Assisting all group members in activities.
 - b) Abiding by our no-alcohol policy on school camps. Lakewood Lodge is also a smoke-free zone.
4. We will require some parents to take private vehicles and three-four trailers will be needed per camp.
5. It is an expectation that all camp payments (for your child) are up to date.
6. We will contact all parents once helpers are confirmed for camp so parents can sort leave from work, as required.
7. Final selection is dependent upon a successful police-vetting outcome (this can take up to three weeks to be processed online).

Please return this notice to the school office by Monday 22nd August.

We will contact all parents from Thursday 1st September to confirm your attendance at camp as a helper.
